Your plan will start on 7/1/2017. Until then you will continue to receive Medicaid services from the plan you are in now.

What Happens Next?

- Your plan will send you your ID card, a recipient handbook, and a list of service providers.
- If you have not picked service providers, your plan will contact you to help you select service providers for you. You can change your service provider any time by calling your plan.
- If you have questions about services your plan offers, call the plan at the number above.

You have rights to change care plans.
See the back for Your Rights to Change Care Plans.
YOUR RIGHTS TO CHANGE PLANS

Once you are enrolled in your plan, you will have 120 days to change plans. If you want to pick a different plan, you must pick that plan by 10/29/2017. After this date, if you want to change your plan, you can do so once a year during a special time called Open Enrollment. Before your Open Enrollment period begins, you will receive a reminder letter and information about your plan choices.

If you want to change plans at a time other than during Open Enrollment, you must have a state approved good cause reason. For more information or to find out if you have a good cause reason, call 1-877-711-3662 or visit www.flmedicaidmanagedcare.com.
