Dear HeadOfHousehold:

Our records show that your address has changed. Because of this, the person listed above will need to choose another plan. If you do not choose a plan by 6/30/2017, the person above will be assigned to HealthPlanName starting on 7/1/2017.

Look at the information in this packet to help you choose a plan. The flyer includes information on plans available in your area, and the extra benefits they offer. You can find this same information on-line at www.flmedicaidmanagedcare.com. Also be sure that your service provider(s) are in the plan you choose.

If you want to choose another plan or have questions about this letter, call the toll-free Helpline at 1-877-711-3662.

You can also enroll on-line at www.flmedicaidmanagedcare.com.

When you enroll you will need:

- The birth year; and
- the Medicaid ID; or
- the Gold Card number for each person you are calling for.

You do not have to call if you are happy with the plan listed above.

**You have rights to change plans.
See the back for Your Rights to Change Plans.**

YOUR RIGHTS TO CHANGE PLANS

Once you are enrolled in your plan, you will have 120 days to change plans. If you want to pick a different plan, you must pick that plan by 10/29/2017. After this date, if you want to change your plan, you can do so once a year during a special time called Open Enrollment. Before your Open Enrollment period begins, you will receive a reminder letter and information about your plan choices.

If you want to change plans at a time other than during Open Enrollment, you must have a state approved good cause reason. For more information or to find out if you have a good cause reason, call 1-877-711-3662 or visit www.flmedicaidmanagedcare.com.
