YOUR RIGHTS TO CHANGE PLANS

Once you are enrolled in your plan, you will have 120 days to change plans. If you want to pick a different plan, you must pick that plan by 10/29/2017. After this date, if you want to change your plan, you can do so once a year during a special time called Open Enrollment. Before your Open Enrollment period begins, you will receive a reminder letter and information about your plan choices.

If you want to change plans at a time other than during Open Enrollment, you must have a state-approved good cause reason. For more information or to find out if you have a good cause reason, call 1-877-711-3662 or visit www.flmedicaidmanagedcare.com.
