Our records show that you have not selected a plan yet. You need to pick a Managed Medical Assistance (MMA) and a Long-term Care (LTC) plan for each person listed at the top of this letter by 6/30/2017.

If you do not choose an MMA and LTC plan, each person above will be assigned to the plan listed, starting 7/1/2017.

It is easy to pick an MMA and LTC plan. You can:

1. Enroll on our website: [www.flmedicaidmanagedcare.com](http://www.flmedicaidmanagedcare.com). You can also find out more about Medicaid and the plans you can join on this site.
2. Call the toll-free Helpline at 1-877-711-3662, and talk with a Choice Counselor to enroll over the phone.
3. If you have special needs you may meet with a Choice Counselor in your community – you can make an appointment by calling the toll-free Helpline at 1-877-711-3662 to set up a time.

To enroll you will need the birth year, and Medicaid ID or the Gold Card number for each person listed on this letter.

**Please note:** If your Medicaid eligibility changes, you may not be able to join a health plan. Be sure to keep all appointments and return information required by the Department of Children and Families or the Social Security Administration that relate to your eligibility.
