RE: Request for Exemption from the Statewide Medicaid Managed Care Program

Dear HeadOfHousehold:

Florida Medicaid has received your request to be exempt from enrollment in a Managed Medical Assistance (MMA) plan under the Statewide Medicaid Managed Care (SMMC) program. Medicaid recipients will receive most of their services through an MMA plan. Some Medicaid recipients are not required to enroll in an MMA plan based on state law or federal waiver requirements. We are including an insert that describes the recipients who do not have to enroll in an MMA plan.

Based on our records, you will have to enroll in an MMA plan in order to receive your Medicaid services. Please call 1-877-711-3662 to get more information about your plan options or to choose an MMA plan.

Sincerely,

Shevaun Harris, Chief
Bureau of Medicaid Services
