YOUR RIGHTS TO CHANGE PLANS

Once you are enrolled in your plan, you will have 120 days to change plans, unless you make a change during Open Enrollment. If you want to pick a different plan, you must pick that plan by the enrollment cutoff date listed above. After this date, if you want to change your plan, you can do so once a year during a special time called Open Enrollment. Before your Open Enrollment period begins, you will receive a reminder letter and information about your plan choices.

If you want to change plans at a time other than during Open Enrollment, you may need a stateapproved For Cause reason. For more information or to find out if you need a For Cause reason, call 1-877-711-3662 or visit <u>www.flmedicaidmanagedcare.com</u>.

Your request to change plans while you are Medically Needy will be processed and made effective at the next possible date in which you have active eligibility.
